

AUTRUI CLINIC

## About Us:

Autrui Clinic is a clinic located at Subang Jaya, Selangor since 2019. Our focus as a GP is to close the healthcare gap for different communities through a sustainable and inclusive approach. The company simply believe that health matters to everyone, everywhere. At Autrui Clinic, the team believes that we can provide evidence-based, innovative and sustainable health solutions to everyone. We offer a range of medical services, including general health check-ups, minor procedures, vaccinations, and preventive care.

## Job Description:

We are seeking a dedicated **Primary Care Physician** to provide comprehensive healthcare services, including in-person and teleconsultation care for both adults and children. The ideal candidate will evaluate, diagnose, and treat routine conditions, illnesses, and injuries, and deliver high-quality patient care. This role involves developing care plans, prescribing treatments and medications, and performing medical procedures within their scope of practice. As a Primary Care Physician, you will play a vital role in documenting patient information accurately and maintaining electronic health records. Your commitment to creating a safe and healthy environment for patients, colleagues, and staff is essential to delivering exceptional healthcare services.

## Responsibilities:

- Evaluate patients and provide appropriate medical attention and treatment for routine care, various illnesses, and injuries. Help answer patient questions and address concerns before, during, and after examinations
- Conduct teleconsultation services via **WhiteCoat Telemedicine Application** for adults and children (on-demand)
- Provide acute and chronic care for patients in the clinic and via teleconsultation
- Conduct health screenings and reviews
- Recognise symptoms and signs of various illness and injuries, order appropriate tests, and prescribe treatments
- Create care plans, coordinate diagnostic tests and other services, and counsel patients on preventive healthcare practices
- Prescribe, administer, and dispense medication and supplements in accordance with state and federal regulations

## AUTRUI CLINIC

- Perform simple medical procedures at the clinic within the doctor's ability, training and experience.
- Document all patient evaluations, treatments, medications, and transactions according to organizational policies and procedures. Maintain accurate, secure and up-to-date electronic patient medical records
- Cultivate a safe, secure, and healthy environment for patients, colleagues, and staff, and provide exceptional quality of service and care to patients
- Create and maintain relationships of confidence and trust with new and existing patients
- Participate in projects like preparing and conducting health talks, webinars, on-site health events, promoting ease of health services to patients.
- 

WhiteCoat is a homegrown telehealth firm that opened its doors in 2018. We offer on-demand remote telemedicine services to a base of over 2 million lives in Singapore. WhiteCoat provides a seamless end-to-end healthcare platform which supports primary care, specialist care, allied healthcare and home-based diagnostic testing needs. WhiteCoat is an official telemedicine provider for the Singapore Ministry of Health's Home Recovery Programme for Covid-19 patients. WhiteCoat was also the first participant in the Licensing Experimentation and Adaptation Programme for telemedicine – a regulatory sandbox initiative formed by the Singapore MOH.

### **Requirements:**

- Hybrid work arrangements between clinic and corporate office.
- Candidate must possess a valid Medical Degree (MBBS/MD or equivalent) from a recognised institution
- Registered with the Malaysian Medical Council (MMC) and possesses a valid and current Annual Practising Certificate (APC)
- At least 5 years of clinical working experience as a medical practitioner
- Computer savvy with good knowledge of office-based systems and Google Workspace
- Fluent in English and Bahasa Malaysia. Proficiency in any additional local language is an added advantage
- Able to articulate and speak well with patients on a digital platform and in-person. Comfortable addressing an audience with public-speaking ability
- Good interpersonal skill and have a vibrant, charismatic character with positive vibes to help those in need on the tele-consults

AUTRUI CLINIC

**Working Hours:**

- Flexible working hours / Shift-based

**How To Apply:**

Interested candidates are invited to submit their resume/CV along with a cover letter detailing their relevant experience and why they are interested in joining Autrui Clinic. Please send your application to [autruiclinic@gmail.com](mailto:autruiclinic@gmail.com) with the " **Primary Care Physician** - [Your Name]" subject line.
